

# ZERO CODE GUARANTEE

## TURN YOUR IDEAS INTO APPLICATIONS FASTER.

Your First Application Delivered in 8 weeks  
for just \$150k\*. WE GUARANTEE IT.

YOU SHOULD GET IT RIGHT THE FIRST TIME, PROVE VALUE QUICKLY, AND BUILD ON YOUR SUCCESS. THAT'S WHY WE OFFER THE ZERO CODE GUARANTEE. IT'S OUR COMMITMENT THAT YOU WILL REALIZE THE PROMISE OF TRANSFORMING YOUR BUSINESS.

### How can we make a guarantee?

Our guarantee is backed by the power and speed of low-code. Low-code platforms allow web and mobile applications to be built much more quickly and cheaply. Combined with our years of experience in designing and building applications for a range of customers in a diverse range of industries means that we are able to apply deliver the application your business needs.

### What do you get?

With our guarantee you get the following:

- Ideation support which will help you to dream big and include a wide variety of voices to ensure the app that we build will deliver for your business.
- A fully featured web or mobile application
- Training for up to 2 technical staff members to become Low-Code developers

### How will we deliver your project?

Working closely with you, we turn your ideas into high-impact applications for your business in only 8 weeks. Our project delivery framework is composed of 3 simple phases, incorporating proven agile techniques combined with our extensive expertise in low-code development.

#### Weeks 1-2 | Sprint 0

**Project Kick-off.** This is where your journey starts. We work with you to develop and refine your plan, setting up the space for rapid delivery.

- Design Thinking Ideation
- Backlog Formation
- Solution Design
- Release Plan
- Sprint planning

#### Weeks 3-6 | Sprints 1 & 2

**Development.** We follow an agile methodology, using iterative and incremental builds to develop and deliver releases comprised of the most valuable features.

- Feature demos
- Continuous feedback
- Design, Build and Test

#### Weeks 7-8 | Sprint 3 & Wrap Up

**Rollout.** This is where we finalise your application, deploy your application, wrap up with a project review and celebrate your success.

- Final testing and refinement
- Project review and wrap-up
- Deployment

\* The Zero Code Guarantee is available to new Zero Code customers who purchase cloud platform services with an annual contract value in excess of a Zero Code minimum, who agree to fully use standard Zero Code features and prioritize scope according to the guidelines as qualified by Zero Code Solutions. These guidelines are best practices for fast delivery as they relate to project delivery methodology, integrations, data manipulation, and data design. Initial design courses are not included in the initial project fee. Prices are in USD, local variations and out of pocket expenses may apply.
